

Hello,

I am a supporter of the "Do Not Call" law in New Jersey. I do NOT care to receive calls from people trying to sell junk, newspapers, or different phone services. Instead I prefer to receive mailings on different ads so I can decide for my self If I choose to participate. I do NOT believe that the FCC should decide what is best for me. I am a college graduate and I am capable of making my own decisions. I can decide what is appropriate to watch or LISTEN to without some beurocrate's help. Please keep the strict version of the "Do Not Call" law.

Regards.
